Attachments: NPDES RT Minutes January 9, 2019__v1.docx

Hi all,

This includes the minutes from our January Roundtable meeting. Please note that Regional Board Program Managers should provide Afrooz:

- draft permit language for toxicity and bacteria (if developed) by Jan 18, and
- feedback on the Administrative Procedures Manual by Feb 28.

The next Roundtable, hosted by Region 2, will take place on May 1, 2019.

Thanks, Robert
